CAREER OBJECTIVE:

Motivated and detail-oriented Frontend Developer with a Bachelor's degree in Information Technology and hands-on freelance experience in building real-world client websites. Skilled in HTML, CSS, JavaScript, Bootstrap, and React.js, with a strong focus on responsive design and user experience. Seeking a Frontend Developer Internship at Quartic.ai to apply my skills, learn from industry professionals, and contribute to impactful projects in a dynamic and innovative environment.

EDUCATION

Adarsh Vidya Mandir English Medium School, Badlapur (East)

Mar 2017

Maharashtra State Board of Secondary Secondary Education

Developed discipline, curiosity, and a love for learning — qualities that continue to guide my professional growth today.

New English Junior College, Ulhasnagar (East)

June 2017 – Feb 2019

Bachelor of Science in Information Technology

Built a strong foundation in mathematics, logic, and computer science basics.

This phase helped me discover my passion for technology and problem-solving.

University of Mumbai | SICES College, Ambernath (West)

June 2019 – Feb 2023

Bachelor of Science in Information Technology

Completed a hands-on IT program with a strong focus on programming, web development, and databases. Gained practical experience through mini projects and team work. Built a solid foundation in HTML, CSS, JavaScript, PHP, MySQL, and basic React & Python — sparking a strong passion for frontend development.

PROFESSIONAL EXPERIENCE:

Mathematics Teacher

Jun 2017 – Mar 2023

Little Angel Classes, Badlapur

- Taught mathematics to students from Class 6 to Class 10.
- Developed custom lesson plans and simplified complex topics to enhance understanding.
- Improved student performance through individual guidance and consistent assessments.

Telecaller

Feb 2024 – Mar 2024

Hansa Research Group, Dombivli

- Conducted market research and surveys via outbound calls to collect data.
- Maintained accurate records of conversations and ensured timely reporting.

Junior Programming Teacher

Mar 2024 – Sep 2024

GTech Computer Institute, Badlapur

- Assisted in the development of educational web solutions using HTML, CSS, JavaScript, and PHP.
- Worked closely with senior developers to test and debug code for internal systems.
- Supported students by solving their technical doubts and guiding project development.
- Gained practical experience in integrating front-end with backend processes.

Junior Web Developer

Feb 2025 – May 2025

Maria Infotech Pvt. Ltd.

- Collaborated on real client projects, building responsive websites using HTML5, CSS3, Bootstrap, JavaScript, PHP, and MySQL.
- Focused on UI optimization, cross-browser testing, and debugging.
- Gained hands-on experience in a fast-paced dev environment, strengthening skills in teamwork, production-ready coding, and project delivery.

KEY PROJECT:

Personal Portfolio Website

GTech Computer Institute, Badlapur

www.nextgenbyvishal.in

- Personal Responsive portfolio website showcasing skills, projects, and contact form. It's not fully working coz the new working is ongoing.

Gold Star Express – Freight & Courier Website

www.goldstarexpress.in

Freelance Web Developer

- Built a responsive and user-friendly website using HTML5, Bootstrap 5, jQuery, and PHP.
- Developed a functional blog section and gained insight into web content structure.
- Enhanced skills in UI design and front-back-end integration, delivering a clean interface tailored to business needs.

Concretech India – Construction Equipment Website

www.concretechindia.com

Freelance Web Developer

- Developed a fully responsive business website using HTML5, Bootstrap 5, JavaScript, and PHP, aligned with the client's brand.
- Improved backend integration and UI performance while ensuring mobile-first design.
- Leveraged tools like ChatGPT to solve real-time issues and apply best development practices.
- Strengthened confidence in delivering real-world, client-focused web solutions.

Fitness Website Template – PowerPulse

Not Hosted Yet

Wordpress Development

- Created a modern and sleek landing page with React and Bootstrap for a fictional fitness brand "PowerPulse" with the tagline "Stay Ahead, Stay Fit."

TECHNICAL SKILLS:

Frontend: HTML5, CSS3, JavaScript, Bootstrap 5, React.js, jQuery

Backend Basics: PHP, MySQL

Tools: Git & GitHub, VS Code, Chrome DevTools

Web Essentials: Responsive Design, Basic SEO, Domain & Hosting Setup

Soft Skills: Quick Learner, Team Player, Problem Solver, Strong Communication
